Mr. Richard Gonzalez  
4310 77th Street  
Vero Beach, FL 32967

Dear Messrs. Perrone and Gonzalez:

The Fort Pierce City Commission at their meeting of September 21, 2009, gave unanimous support of the Port of Palm Beach District's consideration to locate port facilities on property to be known as the Treasure Coast Intermodal Campus.

The City of Fort Pierce supports the Port of Palm Beach District's use of the Treasure Coast Intermodal Campus property, a site located in St. Lucie County and meeting the minimum site characteristics required by the Port. The City requests that any development at the Treasure Coast Intermodal Campus shall fully comply with all Federal, State, and local laws and fully embrace green design standards for responsible and sustainable development.

The City of Fort Pierce is supportive of the important economic stimulus this project represents, and anticipates the opportunity of providing the needed housing and quality workforce necessary for the long range success of this development.

Sincerely,

David L. Recor, ICMA-CM  
City Manager
