

GENERAL:

- A. This Addendum modifies or amends the South Florida Regional Intermodal Logistics Center Request for Proposals (RFP) dated July 10, 2009 and other previous Addenda. This Addendum shall become a part of the RFP. Capitalized terms used in this Addendum and not otherwise defined herein shall have the meanings set forth in the RFP.

- B. Each Respondent shall acknowledge receipt of this Addendum in the transmittal letter to its Proposal. Failure to do so may be cause for disqualification of Proposal.

ADDENDUM ITEM:

As a follow-up to the request for (i) current calendar year TEU volumes through October, 2009, with projections for the remainder of the year, with said volumes divided by national source of origin, and (ii) the number of TEU's by shipping company, please note the following response:

The information provided by Port Everglades is attached hereto as Appendix A. In addition Port Everglades has indicated that its FY08 Annual Commerce Report, which may contain useful data as well, is available on their website at <http://www.porteverglades.net>.

Port of Miami has provided the current calendar year TEU volumes through August, 2009 as set forth below. Note that Port of Miami has indicated that projections for September through December 2009 are not available.

PORT OF MIAMI TEU VOLUMES 2009	
MONTH	2009
January	60,677
February	83,150
March	60,773
April	60,869
May	61,410
June	60,812
July	66,723
August	61,049
Total	515,463

The information provided by Port of Miami with respect to the number of TEUs by shipping company is attached as Appendix B.

In addition, information was requested regarding projected TEUs for 2015, 2020 and 2025. Port of Miami has indicated that it is currently working on updating its Master Plan. Thus, the requested projections are not available at this time. Port Everglades has provided the following information:

Business Line	Forecast Level	Milestone Year		
		2015	2020	2025
Containerized Cargo (TEUs)	Low	981,592	1,137,934	1,529,289
	Penetration of Local Markets	1,387,132	1,608,066	2,161,106
	Local Markets Plus 10% Intermodal	1,541,258	1,786,740	2,401,230

Finally, there was a request for Port of Miami to provide information as to the number of TEUs which will be redirected to the Hialeah facility, and whether those TEUs will be handled by rail directly from the Port to the Hialeah facility or by truck to the Hialeah facility. Port of Miami has indicated that the requested information is not available as it has not yet been determined.
